# ORDERING INFORMATION

To assist us in delivering the exact product you want, please order by the seven digit part number (for alarms and switches) or by the complete model number (for control panels). If you require special features such as additional cable length or special packaging, contact a customer service representative at SJE-Rhombus.

SJE-Rhombus also manufactures additional alarms, floats, control panels, and Engineered Custom panels. Please contact SJE-Rhombus customer service to request a custom quote at +1 218-847-1317, email [customer.service@sjerhombus.com](mailto:customer.service@sjerhombus.com) or visit [www.sjerhombus.com](http://www.sjerhombus.com) to learn more about our control panel products.

## SHIPPING YOUR ORDER

Standard catalog items, depending on volume and options, are shipped within seven to ten business days from receipt of necessary documentation. Shipping weights listed in this catalog are estimates only. Actual shipping weights may vary.

Please indicate your preferred method of shipment when placing your order. SJE-Rhombus will seek competitive shipping quotes from freight forwarders prior to shipment. If you prefer, you may arrange your own transportation from the SJE-Rhombus factory.

## PRODUCT RETURN

Returned products must be unused, current production models. Returned Materials Authorization (RMA) numbers must be assigned to products being returned for credit. SJE-Rhombus reserves the right to adjust restocking fees or deny return upon inspection of returned products. Return is given in the form of a credit.

*PRICING SUBJECT TO CHANGE WITHOUT NOTICE.*

## WARRANTY

SJE-Rhombus offers an industry-leading five-year limited warranty on most standard products available in our catalog. For complete terms and conditions, please visit [www.sjerhombus.com](http://www.sjerhombus.com).

*\*SJE Quest®, Constant Pressure Control products, and Customized Controls (municipal and industrial) carry a two-year warranty or as quoted.*
