

JOIN THE SJE APAC DISTRIBUTOR NETWORK

Expand Your Business with SJE in APAC

**A Global Leader in Pump Control Panels,
Float Switches & Alarm Systems**

“At SJE, we combine global engineering expertise with local manufacturing to deliver high-quality, customizable control solutions faster and at better value for APAC customers.”

Why Partner with SJE APAC?

- Access to proven, high-quality control panels, float switches, and alarm systems tailored for residential, municipal, and industrial markets
- Exclusive territory rights in high-growth APAC regions
- Dedicated sales and technical support from our regional team
- Marketing resources, training programs, and joint exhibition support
- Strong brand reputation with over 50 years of experience globally

What We Look For in a Distributor

- Established distribution network in your local market
- Experience selling pump systems, electrical controls, or related industrial products
- Technical support capabilities and service orientation
- Sales ambition and willingness to collaborate on growth plans
